

Dear Parents/Guardians,

Development of the 2017-2018 Pocatello/Chubbuck School District calendar has begun. In an effort to create a calendar that supports student learning at all levels, it is important to consider the perspectives from all stakeholders. If you would take a few minutes to complete the following short survey for parents/guardians, your input would be greatly appreciated. There are only four questions, so it should not take long to complete.

The survey will be open through December 14th.
