

Elementary registration information:

- **Fall 2017 New Elementary Student Registration:** Register online by clicking on the NEW STUDENT REGISTRATION button. After completing the registration on-line, call your neighborhood school after August 1st to confirm. Take your child to your neighborhood school on August 8th any time from 11:00 a.m. to 7:00 p.m. to finish up the registration process and provide your child's certified birth certificate, immunization records and proof of residency to the school at this time.

If you are unable to register online prior to August 8th, go to the school on that day to complete the registration process.

This does not ensure placement at a school. All placements are based on availability in that grade level at that school. Placement will be made after the Aug. 8th registration day.

- **Students returning to neighborhood school:** If you have any changes to your student's demographic information, call the school secretary.
- **Students who have moved to a new neighborhood:** Please contact the District Office (235-3206) with your updated information during summer months. Please go to your new neighborhood school August 8th from 11:00 a.m. – 7:00 p.m. and take your proof of residence in.
