Montana State University’s first MSU Saturday!
Montana State University in Bozeman will be hosting MSU SATURDAY events this year and it is not too late to register for our visit day on October 10, 2020!
This is your chance to find out what MSU is all about. MSU Saturday is a prospective student and family preview day hosted by the Office of Admissions where prospective students and their family members can come and learn about the MSU campus, living and dining on campus, student life, and scholarships.
For further information on the MSU Saturday program, or to register online, please click here.
Please note that in order to follow strict social distancing and safety protocols, MSU Saturday has limited capacity. So, we encourage you to sign up early! You must register in advance for this event in order to participate - no walk-on registrations will be allowed.
To ensure that this event is safe for our visitors, campus, and community, we have outlined guidelines and expectations for this event on our MSU Saturday page. Please make sure to read these guidelines prior to registering for the event.
If you are unable to make this visit day, please consider our other MSU Saturday dates on October 17, 2020, October 24, 2020, and November 7, 2020.
Also, we know how quickly your schedules can fill up, and that planning around just a few dates isn’t always realistic. The Office of Admissions is happy to offer comprehensive virtual visit opportunities and open its doors for personalized campus visits all year long.

Apply Idaho

SENIORS...IT’S THAT TIME!!!
Yep, that time to apply to college!!!

Applying to College Made Easy
In addition to all Idaho public colleges, students can apply to the College of Idaho and Northwest Nazarene University. Visit the Idaho Colleges Directory for information about Idaho’s public institutions.

Apply Idaho can only be used by students who graduate in the Spring of the current year. Students who graduated high school in any other year must refer to each institution’s individual website and apply directly with the school there.

To use Apply Idaho, students will need:

To know their full legal name
To know their permanent address
To know their EDUID number (ask a counselor if unsure)
To have a personal email address (not associated with a high school)
All Idaho seniors (attending public and charter high schools) should have received a Direct Admissions letter in the mail, telling them which of Idaho’s public colleges and universities have accepted their test scores and GPA as meeting the criteria for admission. Students who wish to take advantage of the direct admissions offer can use Apply Idaho to submit application materials to one or more of Idaho’s colleges and universities.

In addition to submitting the application materials, all students are encouraged to fill out the FAFSA, as soon as possible after it opens on October 1st.

DEADLINE: OCTOBER 30TH (We need time to send out the transcripts to the schools you applied to)

- **The Pocatello Elks Lodge** will be supporting $5000 in local scholarships this academic year. All applications are through the Elks National Foundation (ENF) Most Valuable Student (MVS) scholarship. This is a national competition and if any local student wins in the national competition, that will be amazing because those are all 4 year scholarships of at least $1,000 per year. However, once students have gone through the national competition and not been chosen for an award, the local students will be routed to our lodge and considered for $500 or $1000 one time awards. All applicants must be graduating from high school this spring. Additionally, the ENF also has scholarships available for kids and grandkids of Elks who have been in good standing since 2018. Any Elks who have kids or grand kids graduating this year should have them apply through the legacy scholarship on the ENF page. To be eligible for the Poky Elks scholarships, YOU MUST APPLY FOR THE MVS OR LEGACY SCHOLARSHIPS through ENF. Local applicants who are not chosen as national winners will be considered for local awards. Please see the link below for relevant information and feel free to contact Neil Tocher at tochneil@isu.edu with questions.??
