PCSD 25 provides the highest quality educational services in a safe, supportive and caring learning environment. The question, “What did you learn today?” is vital to our district-wide commitment to Visible Learning. Parents can turn the question, “What did you do today?” into “What did you LEARN” today?” to see Visible Learning in action. It’s not just what students are learning, it’s also about how they are learning. As Visible Learning research has shown, the greatest impact on student learning is collective efficacy. Simply stated, our impact is much greater as we do “MORE TOGETHER.”

**District-Wide Commitment to Visible Learning and Restorative Practices**
